25X1

	I. la accordance with previous arrangements,	
	Rebert Smart and William Darden were taken to the	25X ²
	where they were given detailed briefings and a tour of some of the	
25X1	facilities by At this time they signed the appropriate	
	clearance documents for three sensitive projects.	25X
	did an excellent job in briefing them and they expressed their view	
	that this filled in the picture for thom and gave them a much greater	
	understanding of the programs.	
	2. Alerted Mr. Darden to the TV	
	program with Mr. Dulles on 26 April requesting that he mention this	
	to the Chairman. He was requested to point out that the Agency is in	
	ne way officially connected with this presentation.	
	Me and attracted notification after fare by assume season.	
	3. telephoned	25X
	advising that the lawyer in Miami for the two individuals who had	
	hijacked a Piper aircraft last week had requested the Agency office	
	there to interview these people. Upon refusing to do so, the office	
	was advised by the lawyer that he was going to push this by contacting	
	appropriate congressmen and others. This was merely an alert	
	and no action will be taken at this time.	
	4. Mr. Walter Cenahan in the office of	
	Senator Karl Mundt telephoned asking that the Senator be put on the	
	mailing list for the Also, Mr. Comman requested	
	that the Senator be forwarded the April 23 issue (#76) which had a	
	reference to Senator Mundt. Arrangements were made with	25X
	to send the 23 April Issue to Senator Mundt and also to put the Senator	20/(
	on the mailing list
